

# First Grade Blizzard Bag

Please complete each of the items listed. You do NOT have to turn in this paper.

## Reading

Have your child login to their Raz-Kids account and read for 15-20 minutes. Your child can also read books from home.

## Word Study

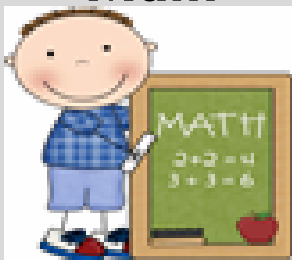

Have your child login to [www.spellingcity.com/grefirstgrade](http://www.spellingcity.com/grefirstgrade) Look on the OLC under the newsletter tab to find what list we are working on. Have your child practice those words for 15-20 minutes. If it is a unit test week- just have your child practice the words for the following week.

## Writing

My sister and I went sledding on our snow day. First, we ate breakfast. Next, we put on all of our warm clothes. Then, we walked down two blocks to top of the big neighborhood hill. Finally, we set down our sleds and zoomed all of the way to the bottom. We had a great day!

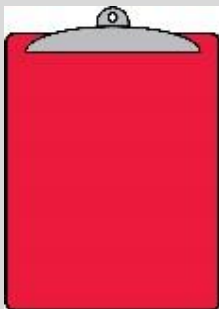

Have your child write and or tell you a story about their day. Make sure they have a topic sentence, details with transition words (first, next, then, finally), and also a closing sentence.

## Math

-Have your child practice counting from 1 to as high as they can in 1 minute.  
-Have your child add and subtract real life things today. Example: Counting out 30 spaghetti noodles. Putting 10 in the pot and figuring out how many are left.

## Content

-Watch the FREE Brainpopjr movie of the week. (On the left of the "home" page) [www.brainpopjr.com](http://www.brainpopjr.com)  
-If there is snow on the ground- have your child complete a science experiment to figure out the fastest way to melt the snow.
